

# Bodenhamer Farms & Nursery

Now taking orders for  
the 2020 planting  
season.

**SPECIAL  
OFFER**

## Who We Are

We are an independently owned and operated nursery in Rowland NC, conveniently located on the I-95 corridor. Our nursery operations began in 2000, and we continue to utilize industry standards, installing center pivot irrigation, increasing cooler storage, and supplying multiple plug sizes (3.5" & 5"). With over 20 years of experience we look forward to serving the seedling needs of landowners, forestry professionals, and other agencies.
